

Per. #8

20 JUN 1957

MEMORANDUM FOR: Legislative Counsel

SUBJECT: H.R. 1031, A Bill to Provide a More Equitable
System for the Settlement of Disputes
Arising from Personnel Actions in the
Classified Civil Service, and of Grievances
and Complaints of all Government Personnel,
and for Other Purposes

This proposal would extend veteran-type job protection to non-veterans in the classified service. Since our positions are not in the classified service, it would not apply to our employees. In view of our practice of applying such general rules administratively when they are compatible with the Agency's requirements, we would be interested in the progress of this proposal.
